

Tahoe Experience, Inc. dba Tahoe/Reno Experience and Destination Lake Tahoe named to Charter class of Accredited Destination Management Companies!

Tahoe Experience, Inc. is pleased to announce it has been named by the Association of Destination Management Executives (ADME) to the Charter class of accredited destination management companies receiving their Accredited Destination Management Company designation (ADMC).

To receive accreditation, Tahoe Experience, Inc. was required to meet the ADMC program standards and lengthy application process set out by the ADMC commission. Program standards included a measurement of the longevity and stability of the company, commitment to the DMC industry as well as Tahoe Experience, Inc.'s service level to their clients. This Charter class is comprised of 24 companies across the United States.

Tahoe Experience, Inc. is the only ADMC in Northern Nevada, in addition to having the only two DMCPs (Destination Management Certified Professionals) on staff in Northern Nevada.
